

RESOLUTION

BE IT RESOLVED that the Town Board of the Town of Forestport hereby finds and declares that the former Village of Forestport, which is located within the Town of Forestport and is now unincorporated, is in danger of becoming a blighted area because of the existence of substandard and inadequate sewer systems and that many of the individually owned septic systems are in a deteriorating condition, and inasmuch as there is no private funding available for the development of a sewer system that therefore, for the purposes of §2161.2, it is an eligible area.

THE ABOVE RESOLUTION was made by Councilman Russell Hirschey and seconded by Councilman Dale Eddy and was unanimously passed.

Dated: July 19, 1989.
