1. CALL TO ORDER:

- Supervisor William Hasenauer said at the opening of this Hearing that this will ONLY be for NEW people coming into the town and wanting to start having animals
- The Advisement and the Moratorium was read into the minutes by Councilman Robert Seager.

***** COMMENTS FROM THE PUBLIC:**

- Many residents had comments on the Moratorium
- Many people were misinformed about this Moratorium
- Again Supervisor William Hasenauer has said that this would not affect any current farms.
- This moratorium would give the town time to get feedback from residents, planning board and town board before setting this into a law

***** Town Board:**

- The Town Board has decided to do another hearing
