TOWN BOARDS

§ 64

Art. 4

until the commencement of the calendar year next succeeding the first annual election at which the vacancy may be filled. A person, otherwise qualified, who is a member of the town board at the time the vacancy occurs may be appointed to fill the vacancy provided that he shall have signed prior to such appointment.

5-a. Removal of fire and health hazards and weeds. The town board may require the owners of land to cut, trim or remove from the land owned by them brush, grass, rubbish, or weeds, or to spray poisonous shrubs or weeds on such land, and upon default may cause such grass, brush, rubbish or weeds to be cut, trimmed or removed and such poisonous shrubs or weeds to be sprayed by the town and the total expense of such cutting, trimming, removal or spraying may be assessed by the town board on the real property on which such brush, grass, rubbish, weeds or poisonous shrubs or weeds were found, and the expense so assessed shall constitute a lien and charge on the real property on which it is levied until paid or otherwise satisfied or discharged and shall be collected in the same manner and at the same time as other town charges. If the owner of said lands is a nonresident, a notice to so cut, trim or remove such brush, grass, rubbish or weeds or to spray such poisonous shrubs or weeds mailed to such owner addressed to his last known address shall be sufficient service thereof. The provisions of this subdivision shall not apply within the property lines of any lands or highway easements owned by another municipal corporation or political subdivision of the state.

6. Award and execution of town contracts. May award contracts for any of the purposes authorized by law and the same shall be executed by the supervisor in the name of the town after approval by the town board.

7. Franchises. Except as otherwise provided by law, may grant rights, franchises, permissions or consents for the use of the streets, highways, and public places or any part thereof or the space above or under them or any of them, for any specific purpose authorized by law upon such terms and conditions as it may deem proper and as may be permitted by law. No such franchise, permission or consent shall be granted without a public hearing, notice of which shall be given by the publication of a notice thereof in the official paper at least ten days before the meeting.

8. Gifts to town. May take by gift, grant, bequest or devise and hold real and personal property absolutely or in trust for parks or gardens, or for the erection of statues, monuments, buildings or structures, or for any public use, upon such terms or conditions as may be prescribed by the grantor or donor and accepted by said town, and provide for the proper administration of the same.

9. Naming and numbering streets, and providing street signs. May designate by name and number the streets, avenues, lots, public buildings and places, and may cause a map of the town to be prepared and filed in the office of the town clerk, and purchase, install and maintain street signs showing the names of streets and avenues therein. Such names may also be changed and altered as the town board may determine. Whenever the town board shall change the name or number of any street, avenue, public

building or place, the town clerk shall within ten days thereafter notify the board of assessors and the planning board, if any, of said town, the county clerk and county engineer of the county in which said town is located, and the post-office department of the United States thereof.

10. Street profiles. The town board may provide for the establishment of the profiles and grades of any accepted street, avenue or highway in the town and upon the completion thereof shall cause the same to be filed in the office of the town clerk and of the superintendent of highways of the town.

10-a. Permits for filling or diversion of streams. The town board may provide for control over the filling or diversion of streams and watercourses, except when authorized by a state or federal agency, by requiring that any person, firm or corporation shall secure a permit from the town board before filling or diverting any stream or watercourse from its natural course. The town board may in its discretion deny a permit if it determines that the proposed filling or diversion is detrimental to the drainage or welfare of the town.

10-b. Temporary blocking of town streets, highways and roads. After a public hearing on at least five days notice, may adopt regulations setting forth terms and conditions for issuance of a permit by the town superintendent of highways or commissioner of public works to hold a neighborhood block party, celebration or event on a town street, highway or road. Prior to the time for commencing of such party, celebration or event and for the duration thereof, the permit issuing official shall cause the street or portion thereof to be blocked to motor vehicles except authorized emergency or hazard vehicles, as defined in the vehicle and traffic law and to provide detour signs for vehicular traffic.

11. Official newspaper. May designate as the official paper of the town any newspaper regularly published in the town if such newspaper has been entered as second class mail matter. If no such newspaper is published in the town, and in any town of the second class having a population in excess of sixty thousand according to the latest federal census if there is no newspaper published in such town having general circulation therein, the town board may designate any newspaper published in the county if such newspaper has general circulation in the town or if no newspaper is published in the county entered in a post office within five miles from the town, any other newspaper published in a city or village in an adjoining county and having a circulation in the town. If no official paper has been designated, the town board may authorize the publication of a notice, resolution or ordinance in any newspaper which could be designated as the official newspaper of the town or, if there be no newspaper which is regularly published in the town and entered as second class mail matter, the town board may authorize such publication in any newspaper published and having general circulation in the town. Such authorization shall be deemed a designation of such newspaper as the official paper of the town for the purpose of such publication. Additional newspapers published in the English language may be designated for the publication of such notices, resolutions and ordinances at the option of the town board. Notwithstanding
