RE: James. Margaret - Barry

Dear Rich:

Please be advised that I will prepare the necessary resolution. I would ask, however, that you prepare the deed. I am not sure what we are going to do for tax identification. I will check with the assessor. Also, on the description if there is other area adjacent to the house that is used by the property owner that is not part of the highway I would certainly suggest that the Town be willing to convey that as well, but I would ask you to provide me with a description as soon as possible.

Thank you.

Very truly yours,

WILLIAM J. RILEY
